**RE: Meeting with Emery Sapp Construction & Olsson Engineering regarding runway closure in July for rehab project.**

All,

I have scheduled a meeting with our engineering firm and the contractor to answer any questions you may have regarding the construction process, closure and re-opening during the rehab project of our runway in July.

I have tried to schedule it to accommodate those who work. The meeting will be held **May 25, 2023 between 4:00 p.m. and 6:00 p.m.** I am trying to contact everyone, but please let your hangar neighbors know, too.

I have a construction schedule posted in several places at the airport and will post it on the website and Facebook page. If you would like a copy for yourself, please let me know and I will be glad to email or print one for you.

Thank you,

Lisa M. Jewett  
Airport Manager
